Editor's Welcome

We are delighted to welcome you to the 2nd edition of the Aldertrack racing form.

With this issue, we build on a series of ward-by-ward analyses that makes full use of digital media.

We're staying up late and getting up early to provide you with concise updates on formal candidate nominations, petition objection information, campaign contributions and much, much more.

Every weekday you'll get an email with the updates and a link to download the form.

And if there's something you learn along the trail that we don't already know, or didn't get right, send us a note. We want to hear from you.

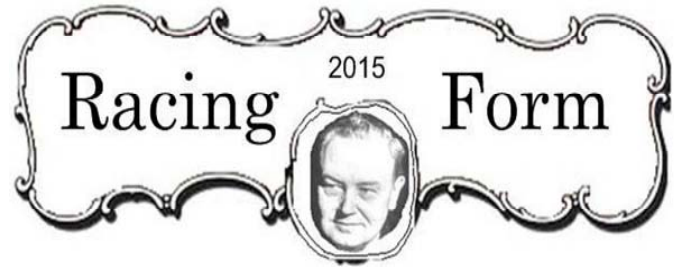

-- the Hink

The content of this racing form was gathered from various, publicly-available Web pages and informal word-of-mouth (i.e., gossip, rumor, innuendo, etc.) and does not represent formal declarations of candidacy.

The form likely contains some errors and omissions and will be out-of-date the moment it is electronically transmitted.

Periodically, updated versions of the race form may be produced. **Readers are encouraged to track late scratches and new candidates and provide any relevant feedback to jimm@aldertrack.com, mike@aldertrack.com, or ramsin@aldertrack.com**

Ward maps, committee ID's, Key Dates and historical election returns represent informal interpretations of publicly available information and the form itself is not intended to serve as a substitute for legal advice nor any of the information published by any governing agency.

- Candidate and Objection Tracker color-coding questions:
 - "What does yellow mean?" - on the six regional candidate pages, yellow highlights simply mean the candidate has outstanding objections
 - on the three Objections Tracker pages, yellow means the objections hearings concluded and recommendations are pending final electoral board decisions
 - "What does orange mean?" - **either** (1) occasionally a candidate has publicly declared his intent to drop out of the race (i.e, Dumars Frnlrn-6 read this article → exm.nr/1IH6tn) but the board of elections has *not yet* formally acknowledged the declaration or (2) Aldertrack has reason to believe that the candidate is in serious trouble and likely to be removed from the ballot (i.e., Cianci-38, Cook-44, and Holmes-7).
 - "What does grey mean?" - that an objection process has ended and the objections hearings have ended
